Dear Parents,

It was a pleasure to welcome the student leaders from Leumeah High School and Mr. Zeilinski, Principal, to our school assembly on Monday 20 May. They were invited to present our Year 12 students with their jerseys which had each student's individual name or nick name across the back. We look forward to seeing them wear these in their final year at school. These jerseys are provided by the school's P&C. I thank them for their commitment to providing these each year to our Year 12 students.

The students from Leumeah High School support our school in various ways. This includes weekly participation in Primary sport and sensory programs and support at the student voice day. They are an important part of our school community and are very interested in the students and their learning here at Beverley Park School. We greatly value this partnership.

Congratulations to Vincent Baker (Year 11) who is our 2013 School Ambassador. This recognises Vincent's achievements and efforts. He will participate in a regional event during education week along with other student ambassadors in South Western Region.

Kind regards
Carmel Seeto

School Development Day

Parents were notified last term of a change to the School Development Day for Term 3. To enable teachers to attend the National Special Education Conference and School Learning Support Officers to be involved in professional training relating to their role in our school on Wednesday 5 June, students will not attend school.

Parents are asked to make alternate arrangements for your child's care on Wednesday 5 June. Thank you for your support and please contact me should you have any concerns.

P&C
Valued Partnerships

The P&C are currently holding a chocolate drive. Many families have supported this fundraising event by selling and buying chocolates. Please ensure the money and / or unsold chocolates are returned to the school by next week.

Planning is underway for a family movie night to be held early next term. This is a wonderful opportunity for all the family to enjoy a fun night at the movies.

Assisted School Travel Program

Parents are reminded that variations for student travel program should be requested 7 days in advanced so this can be processed by the school and the Assisted School Travel Unit.

A change to residential address requires a specific application form to be completed by parents. Do not ask drivers to pick up and drop off students at addresses different from those on their run sheet. All changes are to be authorised by the Assisted Student Transport Unit.
Please give drivers early notification when your child is not attending school.

Student Permission Notes

Please check your child’s diary each day for permission notes. Prompt return of these would be appreciated to enable final organisation of community access, sport and leisure activities to occur.

School accounts have been forwarded to parents. Please contact the school office directly if you wish to discuss any matters relating to the invoiced activities and payment options.

Student Personal Care and Hygiene

Please ensure that an adequate supply of personal care and hygiene items are sent to school to meet your child’s daily requirements.

Positive Behaviour for Learning

During term 2 the focus of the school wide behaviour program is Be a Learner. Green is our colour for Be a Learner. The behaviour expectations for the students at school and across their learning environments are:

- Listen and Do
- Try your best
- Work together
- Take turns

Using consistent language and a shared approach to support student behaviour, results in positive outcomes across the school. Your support and use of these expectations will further enhance students understanding. Be a Learner will be celebrated at our Green Mufti Day on Thursday 27 June. Further details will be forwarded in the future.

Well done Zac you tried your best to complete this fantastic puzzle.

At Beverley Park School, we are safe, respectful learners.
