Dear Parents/ Carers,

Our presentation Day was held on Thursday 11 December. It was a wonderful opportunity to acknowledge and celebrate our student achievements.

School wide awards were presented at the assembly and after, in classrooms each student received a certificate to acknowledge their achievements. It was a celebration of our student's abilities.

Our Year 12 students received their references and farewelled the school community as they move to their Post School Programs to continue their learning and development as young men and women eager to contribute in a new community while keeping the fond memories of their time at Beverley Park School.

Student learning in the classrooms is supported with innovative technology – technology for 21st C learners. Learning beyond the classrooms includes Riding for the Disabled, gymnastics at Yotala, visits to parks, shopping and work programs. These all allow wonderful opportunities for our students to develop their social and personal development skills.

Our students are creative, motivated and confident learners who on a daily basis are supported by the staff and community to achieve their goals. The staff at BPS demonstrates their commitment daily. They have high expectations of the students and provide a happy and respectful school for your children.

Our school is an outstanding example of excellence made possible through strong and effective partnership between the school and our community. It is a school where everyone has high expectations of our students and together achieve the best possible outcomes for every child.

For 2015, I have accepted the position of principal at Chalmers Road School, Strathfield. Jacquie Lockyer will be relieving principal for the start of the year. An expression of interest process will be conducted by Kathy Powzun, Director Public Schools NSW for my position here for 2015.

It has been my privilege to be the leader at Beverley Park School and I extend my best wishes to all families for the Holiday Season and New Year.

Kind regards
Carmel Seeto

Congratulations to our Student Leaders for 2015

Alisha Schofield is School Captain
Rachel Walden is Vice School Captain
Courtney Gossayn is Prefect

At Beverley Park School, we are safe, respectful learners.
Congratulations to Jacquie Lockyer, Assistant Principal, on her selection to receive a Teacher in an Executive Role Award for her contribution to Public Education. She received her award at the Sydney Town Hall during the Ultimo Schools ‘Come Together’ awards evening. The evening was a celebration of excellence in Public Education to which Jacquie has made significant contribution in her role as Assistant Principal at Beverley Park School and through her work with the Community of Schools.

Queen Victoria Home Concert

Students from our signing choir travelled to the Queen Victoria Homes in Picton to participate in a Christmas concert. This has become a wonderful tradition for Beverley Park School. The ladies and gentlemen happily sing along and are delighted to welcome our choir to enjoy the display of Christmas decorations and some delicious morning tea.
