Dear Parents,

Term 1 has been a productive term with student personalised learning and support plans developed with families and staff. Thank you for your commitment to this important process. It is always encouraging to see so many families attend the meetings on the night, or make alternate arrangements to come into school to meet with teaching staff.

All families will have a copy of their child’s Personalised Learning and Support Plan to keep. Term 1 has been very successful with some great events at the school.

Carpark Safety

The mornings and afternoons can be very busy times in the school carpark and driveway. When dropping your children off please try to park in the carpark and walk your child in along the footpath. If you drive into the driveway with the buses please do not back out, but rather wait for the buses to move, and exit the driveway in a forward motion only. We ask this to ensure student, staff and family safety here at school.

Warm Regards,

Jacquie Lockyer

Harmony Day

Harmony Day was a wonderful celebration of diversity and respect. Our students all looked fantastic in various shades of orange and cultural dress. The activities strengthened our school rule of Be Respectful. All of the expectations are practiced and supported daily across school activities.

*Be a Friend

*Use manners

*Respect privacy

*Play fair

*Use a calm, soft voice

The $100 donations received will be forwarded to the Kids of Macarthur Health Foundation. Thank you to students and staff for your support.
At Beverley Park School, we are safe, respectful learners.
School Swimming Scheme
During weeks 9 and 10 this term a team of specialist swim teachers came to our school to provide swimming lessons to small groups of primary aged students at the school. The focus of these lessons is learning to swim and be safe in the water. It has been exciting to see students gain in confidence over the two weeks to becoming beginning swimmers! Some students who were anxious to get wet are more confident now in entering the water and getting their faces wet. Well done all those students who participated! It is exciting to see the progress these students have made in such a short time.

Easter Hat Parade
Today we held an Easter Hat Parade for the primary students followed by a sausage sizzle, picnic lunch for the students and their families. Thank you to those who came in today. It is always fun to put on an Easter Bonnet and be a part of a parade. The students and staff had lots of fun!

Best Wishes Jack
Jack in year 3 is leaving and moving to a new school! We would like to wish him all the best as he moves to this new environment and has new learning experiences. Jack will be missed by his friends at Beverley Park.
