Dear Parents,

Education Week was celebrated across NSW schools last week. At Beverley Park School we were delighted to welcome families and friends into our classrooms and learning areas at the school. To celebrate our learning at Beverley Park School we invited families and friends to visit school sport, then stay for a BBQ. We thank all those parents who attended on the day and made it such a successful one.

Our year 12 students, Courtney, Alicia and Rachel were presented with their year 12 jerseys at a secondary assembly. Year 12 students play a special role in our school as student leaders and wonderful role models for others at the school. The year 12 students represent what is wonderful about the learners and the learning here at BPS. For all of these young ladies have progressed through the school over 13 years starting in kindergarten. By wearing this special jersey they show others the important role they play at BPS.

The jerseys were presented to the students by representatives of the school P&C Christine Malnersic and Leanne Potts. The P&C had the jerseys specially made for the students and we thank them for their continued support of the school.

Students from Leumeah High School attended the event and supported our school by helping students to participate in sporting events and they cooked lunch for our students, and their guests.

We have a new Director, Public Schools, Paul Hughes. Paul was able to attend the Education Week Open Day activities and met many of our students and their families.

Kind regards
Jacquie Lockyer
Student Health

While every effort is made by school staff to support students at school, there are not the resources or facilities at the school to manage students who are unwell. Students who are unwell should be at home until they are well for their wellbeing and the wellbeing of other students and staff. We work with families to support students healthcare needs and ask for cooperation in not sending children to school when they are unwell.

On return please send a note to explain an absence. This is a requirement for school records.

P&C

Valued Partnerships

The P&C has received a great response from families in support of our annual Chocolate Fundraiser – thank you to all of our families who have been busy selling chocolates. All money must be returned by Friday 18th September.

The P&C will be hosting a Fundraising BBQ at Bunnings Campbelltown on Sunday 20th September. We will be sending notes home next week requesting volunteers and donations of items for this event – any help you can offer will be greatly appreciated. If you are unable to help on the day, please come along and buy a delicious sausage sandwich!

If you would like to be involved in the P&C, we hold our monthly meetings at the school on the second Tuesday of the month at 6pm – we welcome and encourage all parents, family and friends to attend and join in discussions about how we can support our students, families and school. Our next meeting will be held on **Tuesday 25th August at 6pm** due to rescheduling.

Sebita Hipwell – President

**Beverley Park Kids Inc.**

**Enriching the lives of students with disabilities**

Kids Inc manages a fleet of wheelchair accessible buses which are made available to the school for community programs. It also manages the delivery of the therapy service at the school.

Parents are invited to attend the monthly meetings. Volunteers are also welcomed to help out with the conductive education, hydrotherapy and community programs.

Positive Behaviour for Learning
During term 3, the focus of the school wide behaviour program is **Be a Learner**.

Green is our colour for Be a Learner. The behaviour expectations for the students at school and across their learning environments are:

**Be A Learner**

- Listen and do
- Try your best
- Work together
- Take turns

At Beverley Park School, we are safe, respectful learners.
